1. Agreement to Sell and Purchase Energy. This is an agreement between American Power & Gas LLC ("AP&G"), an independent energy services company, and the undersigned customer ("Customer") under which Customer shall initiate natural gas service and begin enrollment with AP&G (the "Agreement"). Subject to the terms and conditions of this Agreement, AP&G agrees to sell and deliver, and Customer agrees to purchase and accept the quantity of natural gas, as estimated by AP&G, necessary to meet Customer's requirements based upon consumption data obtained by AP&G from the delivery schedule of your local natural gas company A.K.A, the Local Distribution Company or "**LDC**". There is no deposit required. AP&G is not affiliated with and does not represent the LDC. The LDC may charge a fee to switch. The amount of natural gas supplied under this Agreement is subject to change based upon data reflecting Customer's consumption obtained by AP&G from the LDC's delivery schedule. The LDC will continue to deliver the natural gas supplied by AP&G.

2. Term. This Agreement shall commence as of the date the change of Customer's provider to AP&G is deemed effective by the LDC and **will renew on a variable rate methodology until terminated by either party which does not require the customer's affirmative consent.** Either party may cancel or terminate this Agreement for any reason without penalty by providing 15 days advance notice of termination to the other party. The customer has a right to terminate the contract without penalty in the event the customer relocates outside the service territory of the LDC or within the service territory of an LDC that does not permit portability of the contract. If Customer switches back to the LDC, they may or may not be served under the same rates, terms and conditions that apply to other customers serviced by the LDC.

3. Pricing and Billing. The price for all natural gas sold under this Agreement shall be a variable price which is set solely by AP&G at its discretion which each month shall reflect the wholesale cost of natural gas (including commodity, capacity, storage and balancing), and other market-related factors, plus all applicable taxes, fees, charges or other assessments and AP&G's costs, expenses and margins. AP&G may change its margins substantially each month. There is no limit to the variability of the price between one billing cycle and the next.

Green Energy: The price for green energy will be comprised of the AP&G varying price plus an amount up to ten (10) cents per ccf or therm delivered. Customer can cancel the green option of this agreement with at least fifteen (15) calendar days' notice of its intent to cancel by calling AP&G at 1.800.205.7491. The requested drop of the green supply will occur on the LDC's next available change date within its rules.

AP&G will invoice Customer monthly for natural gas supplied under this Agreement, as measured by the LDC. Customer will receive a single bill for both commodity costs (provided by AP&G) and delivery costs (provided by your utility) from your local utility company/LDC. Your LDC will also determine your billing intervals and any late payment fees. AP&G does not offer a budget billing service at this time. AP&G may assign and sell Customer accounts receivable to the LDC.

4. Termination. In the event of failure to remit payment when due by a customer, AP&G may terminate this agreement and commodity service by giving fourteen calendar days' notice. Failure to pay natural gas utility charges may result in the customer being disconnected in accordance with the natural gas utility tariff. In the event of outstanding payments due by the Customer, whether or not this agreement was terminated, AP&G may contact the Customer in order to collect any outstanding payments.

This agreement will automatically terminate if a) the requested service location is not served by the LDC or b) the customer moves outside the LDC service area or to an area not served by AP&G or c) AP&G returns the customer to the customer's LDC's applicable tariff service.

5. Assignment. Customer may not assign its interests in and delegate its obligations under this Agreement without the express written consent of AP&G.
